Expenses will be charged to all dogs shown each day as well as dogs being boarded and traveling in motorhome. Expenses charged back but not limited to are parking, fuel, tolls & RV usage. (There would be exceptions/changes if we stay in a hotel vs. RV on some weekends.)

Owner held accountable for handling fees if he/she misses the entries for shows mutually decided upon and confirmed. Owner responsible for ½ handling fee when majors break and/or dog singles out and can't be shown due to lack of majors over a show weekend/circuit (this does not include shows that never make majors). Owner responsible for all handling fees and expenses for entire weekend/circuit, even if dog finishes prior to the end of the circuit. New clients are required to pay a \$500 deposit in advance.

Invoicing will be done after each set of shows. Payment will be required upon receipt of each invoice. Paypal, Visa, Mastercard, Discover & American Express are accepted and kept on file.
